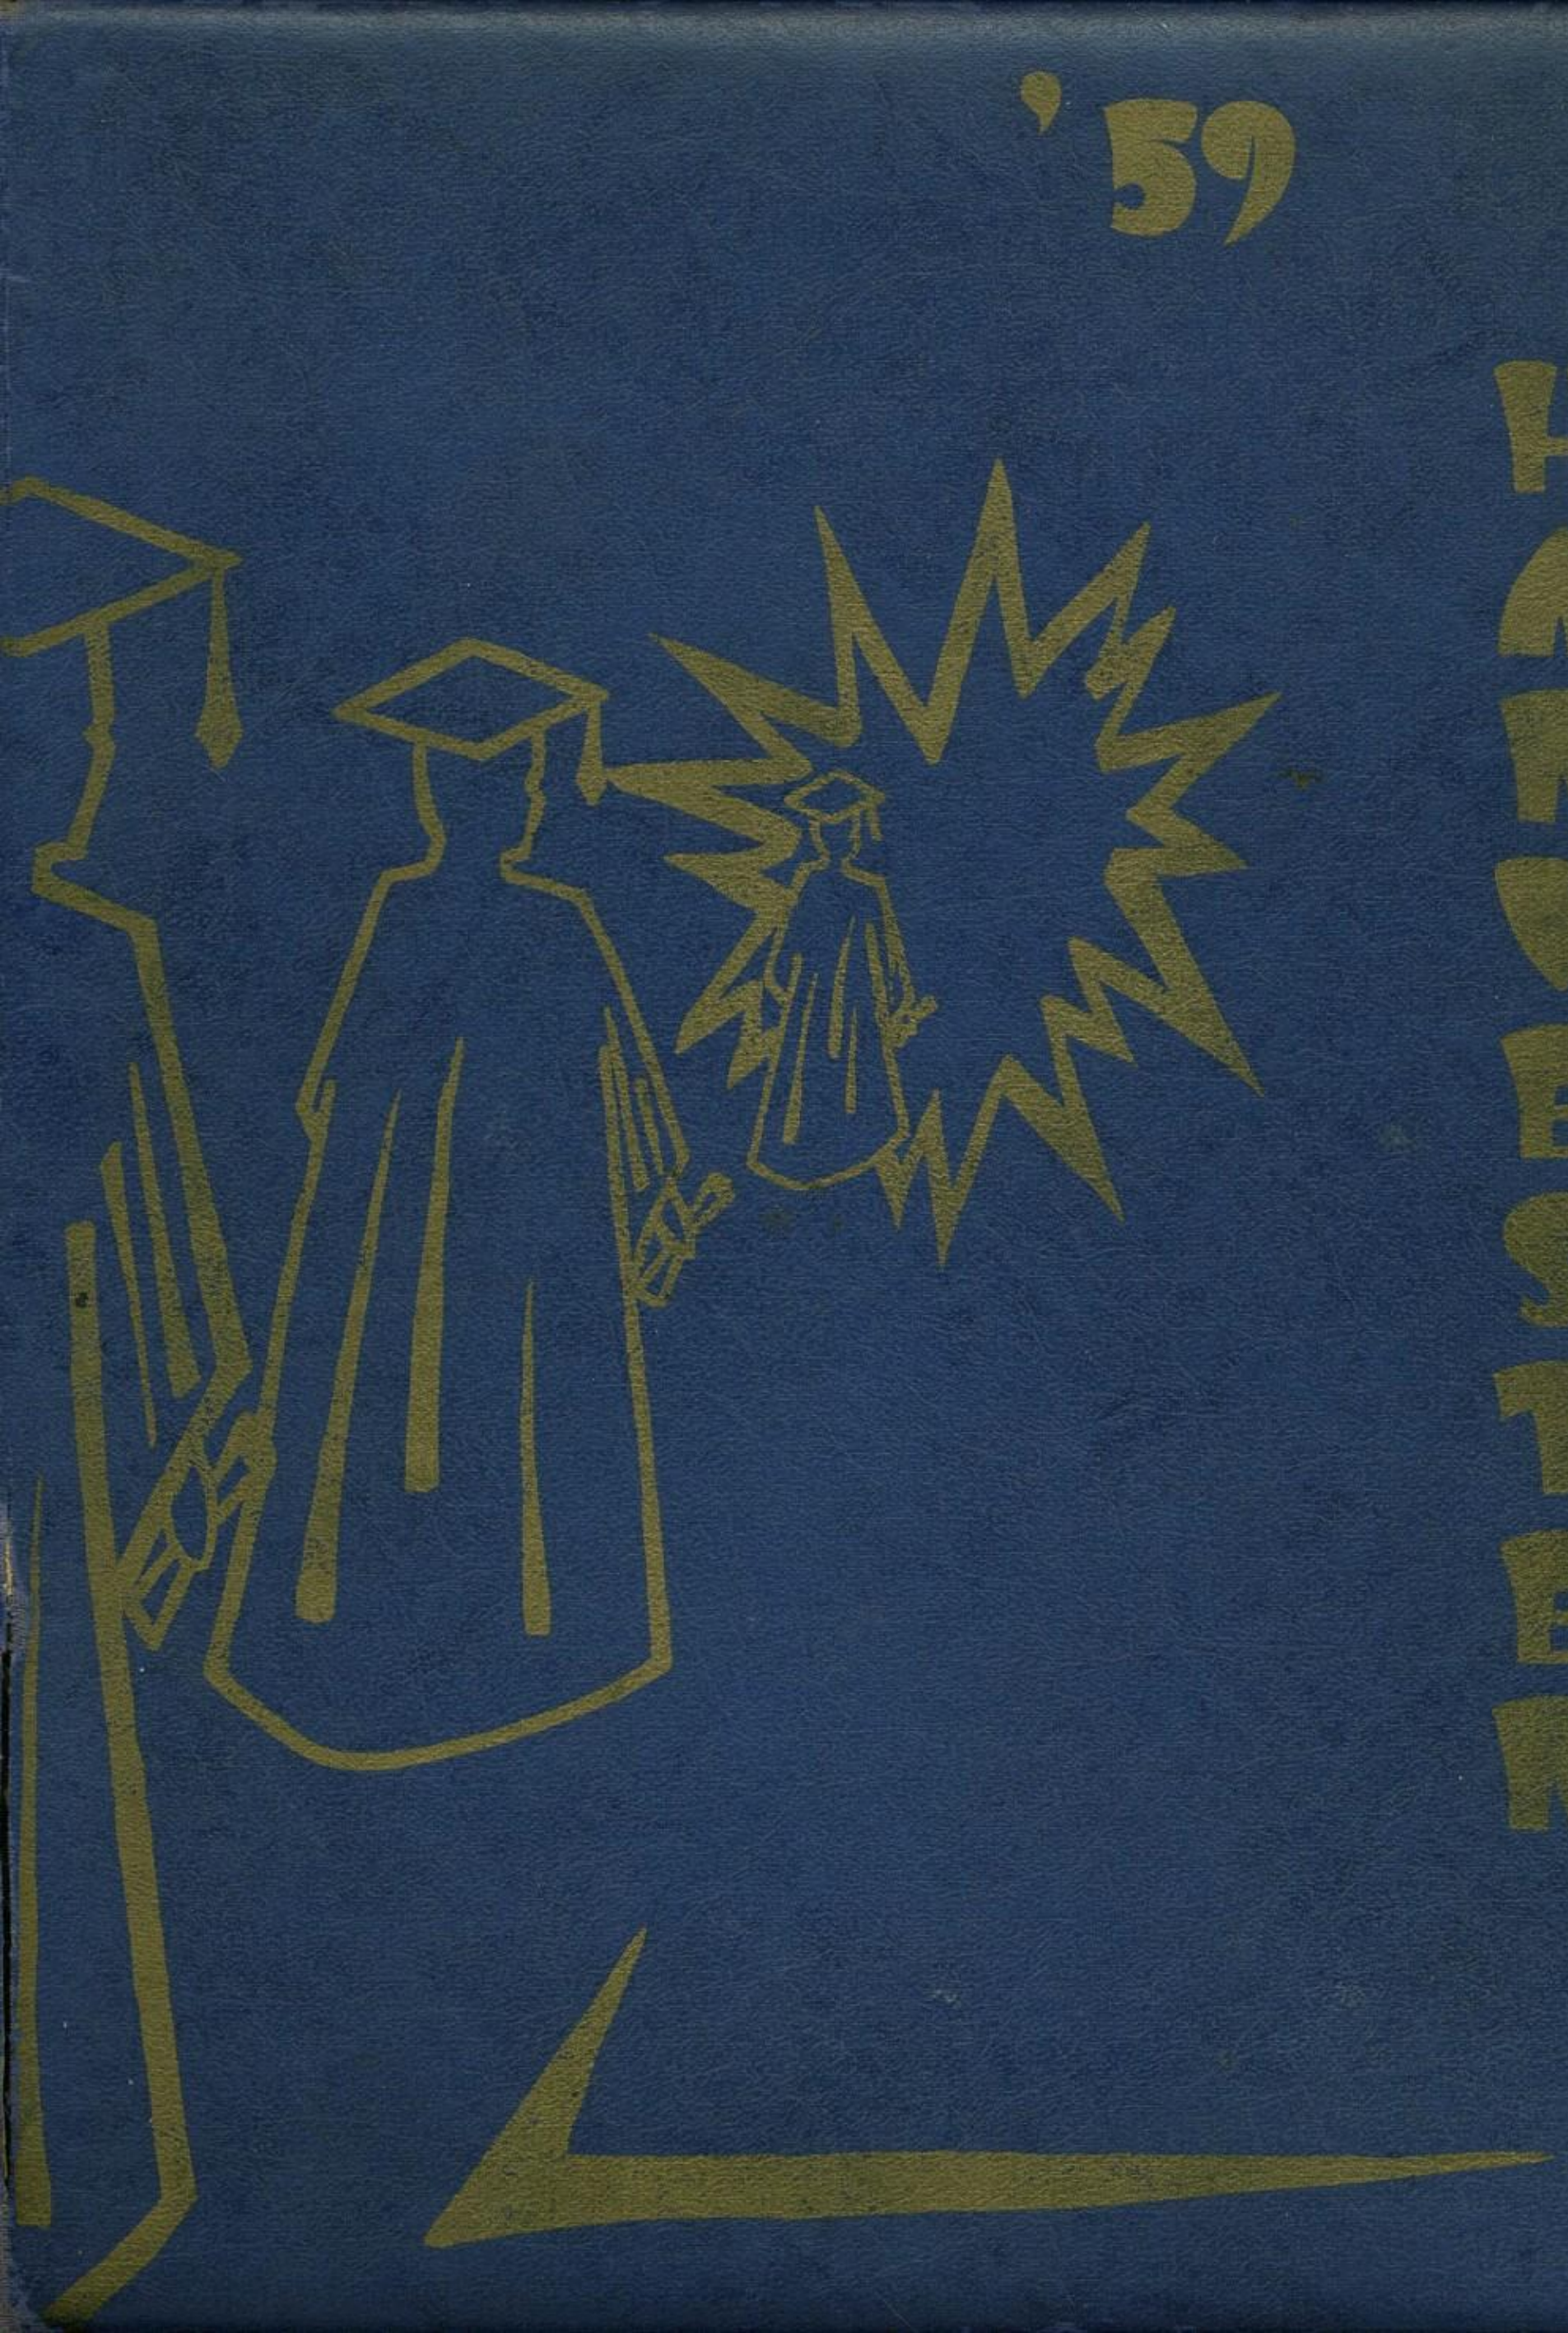
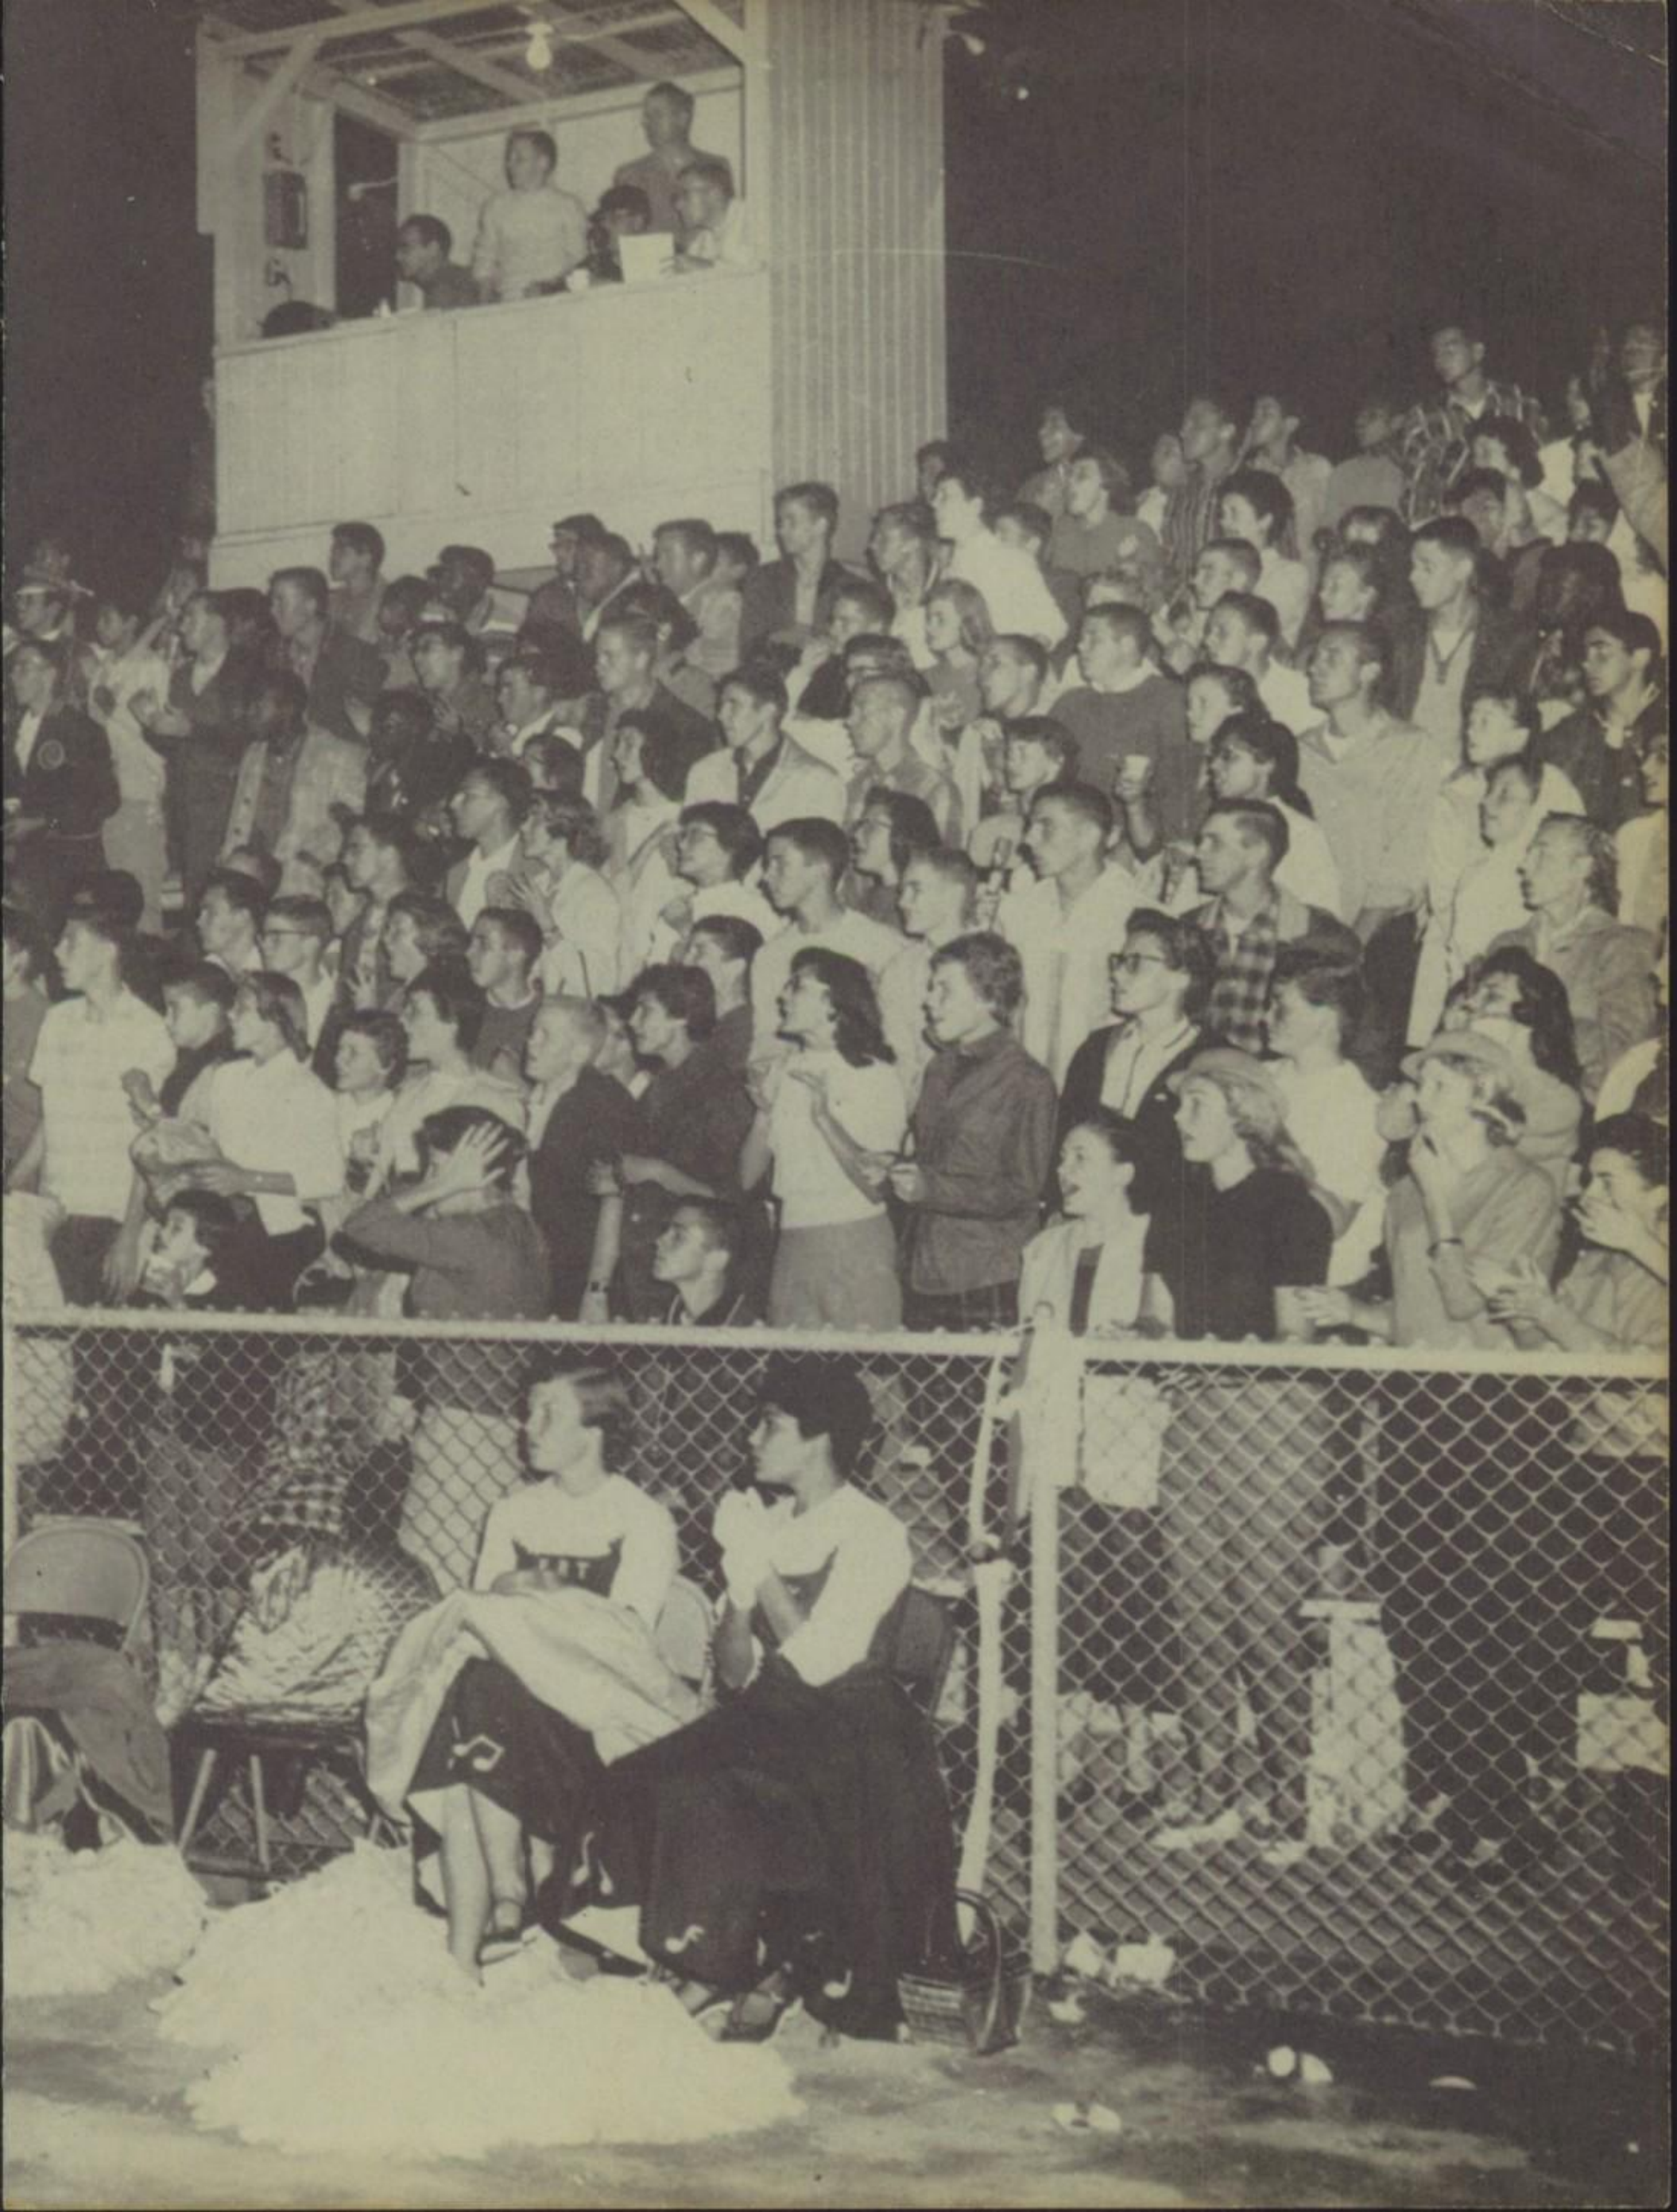
HARVESTER



"Moments To Remember"

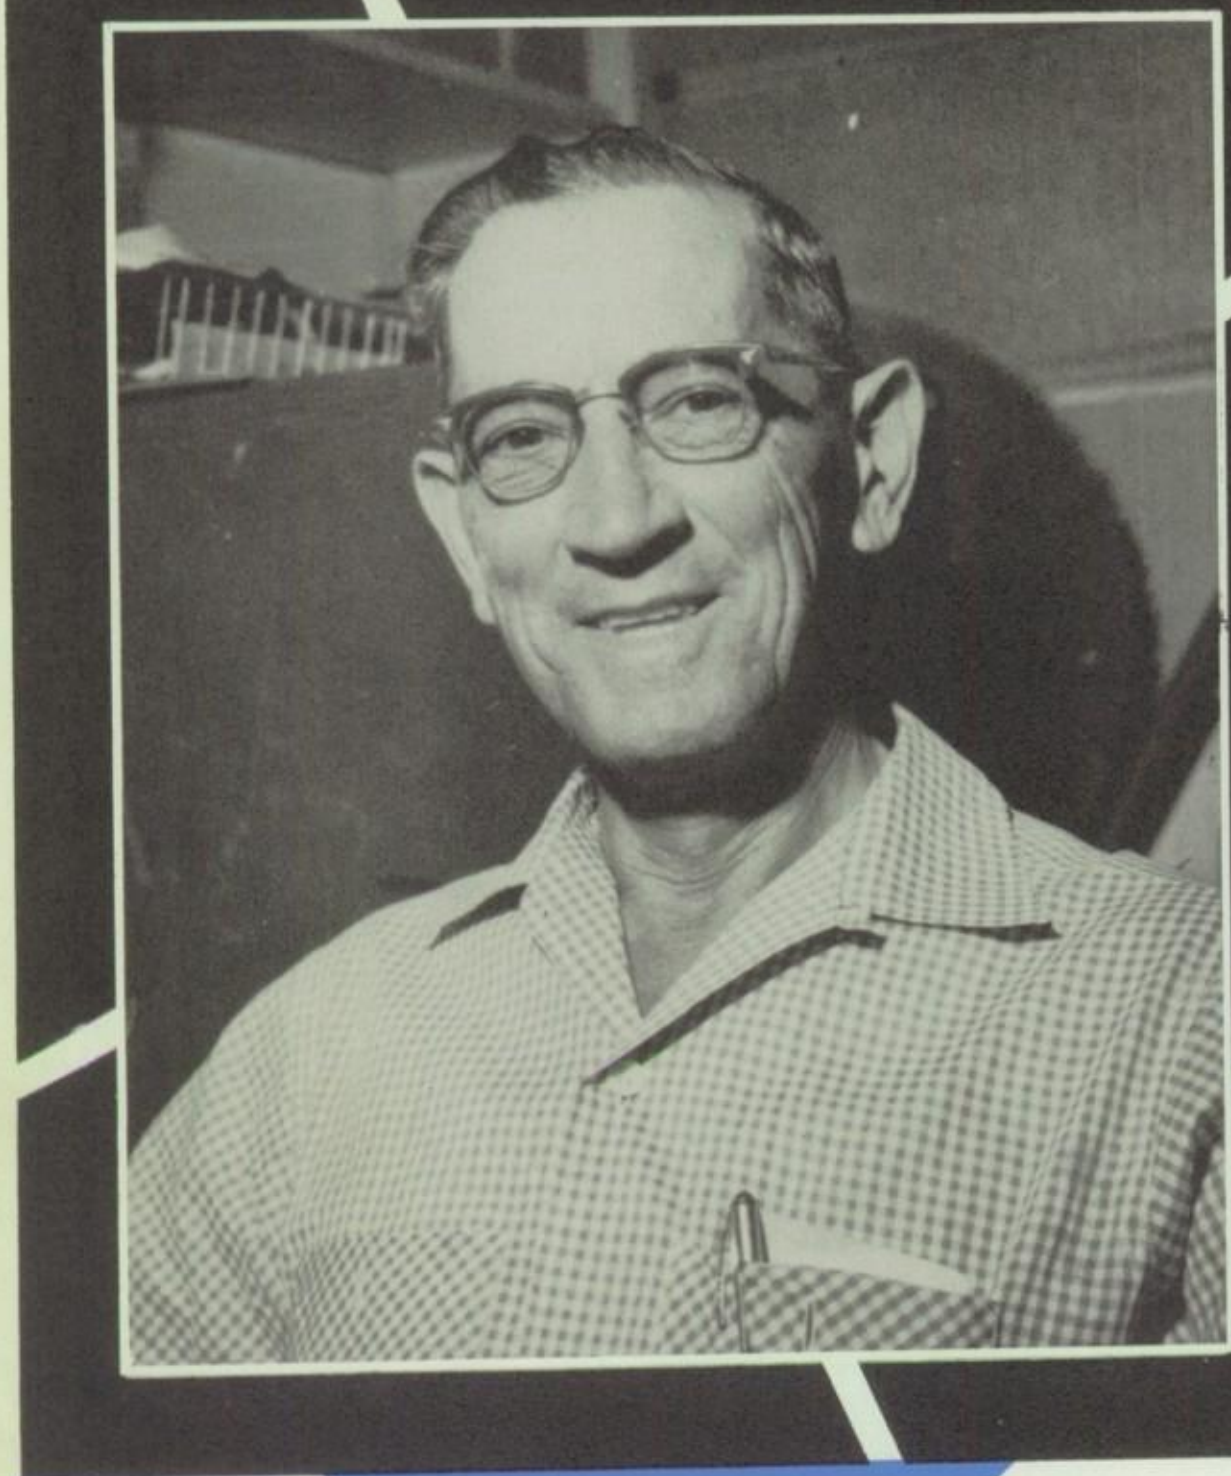
Remember? The excited looks of the crowd when the Panthers score a touchdown--the memories of a perfect evening--the many other pleasant thoughts associated with school--classes--dances--sports--club meetings--trips--all of these--Remember?...



CORCORAN UNION HIGH SCHOOL

CORCORAN, CALIFORNIA

DEDICATION



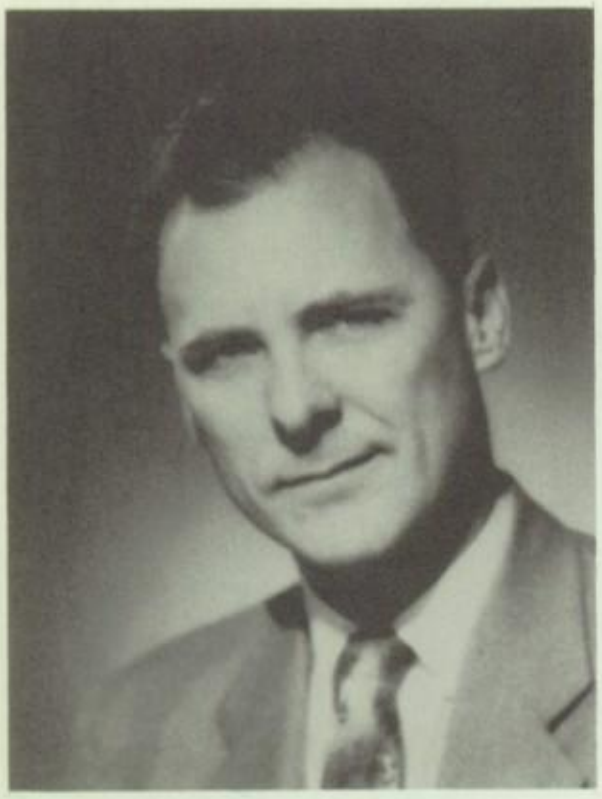
TO
RADER ENDSLEY

Many people and things make up the "Moments" we remember in our school life, but this one man will undoubtedly be remembered longer and by more of the students and faculty for his devotion to our school than any person in our school's history.

His willingness to help the student body to better our school in any way he can and his friendliness to all the students has left a fond "Memory" in the hearts of all of us.

For this reason we dedicate this 1959 "Harvester" to Rader Endsley.

ADMINISTRATION



MR. STEWART
Superintendent

This is a time of great excitement and challenge. We have proposed trips to the moon and beyond. It is likely that we will soon have manned flights into space. Each day we read of some new development. To accomplish the wonders of today has taken a wealth of study and research. To keep apace with the innovations of today and the advances of tomorrow will take more information, knowledge, and understanding than has ever before been necessary. This is the challenge for all of us, those who teach, those who invent and design, those who operate the machines, and those who keep them clean.

Included in this great challenge is the control and wise use of those things we create. There will be no progress, but chaos, unless we also advance in our understanding of moral and spiritual values, of individual and societal needs. We must grow in our appreciation of man, of peoples, and of God.

My message to the high school graduates of 1959 is to recognize and accept this challenge....Mr. Stewart

With each passing year we see another group of young men and young women leave our school to take their place in society as a responsible citizen.

We are confident that the graduating seniors of the Class of 1959 are capable and qualified to meet the problems and situations as they arise.

The future will hold great things for you. We wish that each of you will remember your school and the kind of Life that is a credit to you and your community.

Congratulations and best of luck to the class of 1959

MR. STIVERS

Congratulations to you the students of Corcoran High School on your achievements to the present time and best wishes to you for your future endeavors. Especially do I congratulate the members of the graduating class of 1959.

It has been a pleasure to work with the Corcoran High School students. I am proud to say that I feel sure there is no finer group of students in any high school anywhere.

As you grow older and face the world in your every-day life, I feel sure you will come to appreciate more and more the things you have learned in your years at Corcoran High School. Your academic achievements will of course be of great value to you, but perhaps far greater than these will be your ability to get along well with other people. The importance of this is surely outstanding when we hear that as high as ninety per cent of the employees who are dismissed from their jobs are not discharged because of inability to do their work well, but because they cannot get along with other employees. You can be part of the ten percent . . . Mr. Stivers

How often you will look through the pages of your "Harvester" and think of your many friends while at Corcoran High School! Their success, and yours, will be the result of todays thoughts and action—values you are establishing, goals you are setting.

May your time at Corcoran High build for you basic understandings which will bring you the joy of achieving a successful life in your chosen field of work. May you, as you enter this fast changing world, contribute and share a better life with all mankind

FACULTY HI-LITES

The faculty, this year, also had it's "Moments to Remember." The year opened rapidly with a Teacher's institution. The year who had to readjust to a new environment.

A faculty party followed institutions to enable the new teachers and the old to become acquainted with one another. Several churches in the community sponsored receptions to acquaint teachers with congregation members.

As the year progressed, it was highlighted by several events such as the faculty Christmas party and a faculty basketball game with Hanford. During the year many of the faculty were active in the P.T.A. and community organizations. They expect to continue such work by going to summer schools for professional advancement.

The Senior class, this year, has accomplished much. Their main money raising projects were concession stands and the Senior Ball. Everyone was able to go on the Senior Ditch Day trip. A large class fund furnished the capital with which to build their Senior project.

The Seniors will have golden memories of the Breakfast and Baccalaureate Services. Years from now they will reminisce about the splendor of Graduation. Now, however, they look forward eagerly to college or business life.

JUNIOR CLASS

STANDING, LEFT TO RIGHT: President E. Gomez, Secretary B. Torres, Treasurer G. Galvan, Vice-President J. Garcia, Sergeant-at-Arms J. Solis, P. Doan.

The Junior Class has kept themselves very busy this year. Their first activities were an after-game dance and concession stands during football season.

A midyear project under the direction of Miss Huggins, was a Candy Sale in which Juniors sold delicious Katydids to the community.

The biggest event of the year was the Junior-Senior Prom. Everyone was well pleased with the Junior Class and the effort they presented during the year.

SENIOR BALL

One of the biggest events of the Senior year was the annual Senior Ball to which everyone was invited. The Senior Queen, Anne Clark, was crowned by the Senior Class President, Jerry Hammond, at the dance November 22, 1958. The money raised at the dance goes to the purchase of the Senior Memorial. The dance presided over by the Queen and her attendants, LaDale McDonald, Ruthie Craig, and Janice Rambo, was considered quite successful.

BAND

BAND OFFICERS, LEFT TO RIGHT: D. White, P. Marshall, L. Goodrich, E. Gomez, N. Streshley. STANDING: S. Goodrich, J. Hamond, D. Waldrum.

The Panther Band has an exceptionally fine record of performances, not only this year but for a period extending far back into the early years of Corcoran High School. In Regional Music Festivals, the C.U.H.S. bands have earned an enviable collection of ten Superior ratings and one excellent rating.

Since September of 1958 the Panther Band has participated in many activities including eight football halftime shows; more than twenty assemblies; and four parades, including the Visalia Christmas Parade. They attended the Shrine East-West game this year for the 12th consecutive time making them the oldest band in attendance. The name Panther Band is synonymous with fine music, and the Name Corcoran Union High School is synonymous with fine bands.

G.A.A.

G.A.A. is one of the most active organizations on campus. Membership is for any girl in High School. The purpose of G.A.A. is to create an idea of good sportsmanship and good relations between the girls.

Each year the girls participate in all sports for awards. As well as sports, some social activities hi-light the year. In February there is a co-educational skating party and in May a taco feed where awards are presented.

Harvester Staff

This year the "Harvester" was handled as an extra-curricular activity under a co-editor system. The staff, as were the editors, were junior and senior students.

As an improvement this year was the addition of color to the first 16 pages of the yearbook. Most of the copy and a great amount of the photography was done by the staff. Also, the page content was increased to give the student body a slightly larger book.

The annual was produced with a lot of hard work and effort with the desire of making it interesting and attractive. The staff hopes it contains many "Moments to Remember" for you, the student body.

Panther Tales

The Panther Tales, this year, was a product of the journalism class to give students practical experience in news and feature writing.

The format of the paper changed this year from a two-column mimeograph to a three column paper. Greater emphasis was put on layout and art work to try and give the students body a more interesting and attractive paper.

The Panther Tales tried to maintain a bimonthly publishing schedule, and to accomplishing its purpose of a school newspaper-to represent and report school activities to the best of its ability.

Rally Club

The prime purpose of the Rally Club is to promote good relationships between C.U.H.S. and other schools. The Rally Club members strive to set an example for the students to follow in building school spirit and good sportsmanship. This club is the largest club on the campus with members totaling well over 100. A rally is held every Friday during the football season and exchange assemblies are held with Wasco and Shafter. The club sponsors the homecoming activities held during the week of the first league home game.

Sergeanettes

The Sergeantettes is one of the most active organizations of C.U.H.S. Aside from performing during half-time at all of our football games and marching in various parades, they sponsor the Western Dance, Cancer Tea, and at several different times informal dances such as a back-to-school dance. They have performed with the Band at Kezar Stadium in San Fancisco and the Collisium in Los Angeles. Selling birthday and having a formal dance in January were both included as money-making projects.

Varsity Football

The fighting Panthers had their most successful season during the current year with an undefeated, untied record. The Panthers set a new high offensively scoring 301 points in nine games against the oppositions 46 (a new low).

A multiple offense with 60 different plays and three different types of T offensive patterns which is rarely seen in high schools was used this current season by the nearly all Senior team.

However, this talent might not have piled up its fine record without competent guidance, and Coach Williams should get much of the credit for making the very most of a limited number of athletes.

"B" Football

The Corcoran Cubs although only winning three football games, have no reason to be ashamed of their losing season. Injuries of key players kept them out of the winning column.

As the scores indicate all their games were very close, also the Corcoran Cubs scored more points than their opponents. If the Cubs had had some good breaks they probably would have won all their games. The Cubs proved to be a very good defensive ball club by keeping their opponent's scores at a minimum.

This indicates that the Varsity Team for next year will have a good group of boys to work with for the next year.

"C" Football

The "Kittens" played three home games with Hanford, Shafter, and Tulare. The team lost five of the games and tied Tulare the last game of the season after losing to the same 42-0. The first game the team showed decided improvement as the season progressed.

"C" football is the doorstep to many future stars of Corcoran High School. A lot of ground has to be covered in a matter of a few weeks, such as tackeling, blocking, running, passing, offensive and defensive work, etc. in the short period they have. The coaches of the "Kittens" were Mr. Rowe and Mr. Foster.

Varsity Basketball

F. MITCHELL, Forward

J. ESPINOSA

The varsity basketball team had a good season this year, regardless of the won-lost record. On paper their record of 3 wins-14 losses does not truly show the team's ability, however, most of the games were close and exciting. Lack of height hurt the team. Many of the close games undoubtedly would have been won if the team only had that one tall man needed for rebounds. All the boys on the team worked hard and played some of the best basketball seen in Corcoran for a long time.

At this writing the team has one league game remaining, with Garces. Having upset Wasco in the last outing, and knocking them out of a first place tie with Coalinga there is every reason to hope the team may be able to win the tournament.

This, the first year of having a J.V. Basketball Team was a rough, but very successful year. The team was not successful in the won lost record but it did help in the sense of getting such a program in the running. The team record was 5 losses and no wins, but they gave everyone a good tight contest. With one season past, but not forgotten, the team will be looking forward to next season and a more favorable record.

"B" Basketball

The Corcoran Cubs, playing under the handicap of inexperience, have managed to win one game of the 15 played to date. The "B" team's lone venture into the win column came at the expense of Shafter, with a 30-27 squeaker in an overtime. The Cubs were later defeated on Shafter's home grounds by a 32-34 count. Total point production for the "Cubs" shows 457 points, compared to 657 for their opponents.

"C" Basketball

Lacking experienced players and depth on the bench, the "C" Squad won only one game this season. The one bright moment was against Garces in which Corcoran emerged victorious 27 to 22. The Kittens showed much determination, bowing to the opponents in the late periods of play. Most of the season, the Kittens, played a pressing ball game which was the reason for their being able to keep their opponents off balance, however, the strain of this type of play plus lack of height for any other type of defense forced the Kittens to defeat.

Wrestling

COACH PHELPS

This year's wrestling team was a young team composed of Sophomores and Juniors. Only three Seniors were on the team. This indicates the wrestling team for next year will be strong and will give their opponents a tough battle. Next year Corcoran Wrestling Team will step out of the small school league and will meet in a larger school league.

The Wrestling team only took two men to the State Tournament at Turlock this year. They were Jerry Dow, who took 3rd and Joe Solis. The outstanding seniors on the team were Jerry Dow, who had won 16 matches and lost five. Ronnie Weatherly won 17 and lost five; Clyde Neely was the other senior.

Boys' Tennis

Senior net man Jerry Hammond led the Corcoran netsters by winning most of his matches. Surprise performances by Freshman Bruce Fallin also aided the win-loss record of the Corcoran tennis team. Fallin, along with Gary McGowan, Jim Doan, Nick Egger and Jack Hanley, shows promise and should resume the hard playing caliber of tennis practiced by senior, Jerry Hammond.

The presence of Sue Muccigrosso, Judy Warner and Geri Hernandez also helped the team's record. Next years team shows strong potential in Carol Jacob and Judy Goodrich, who should lead the team to a five record.

Varsity Baseball

Under the expert coaching of Mr. Revello, the team has won both of the league games they have played to this date. The Varsity Seniors this year are: J. Stiger, J. Dow, D. Bessey, R. Haynes, and D. Dow.

Predictions are that the team will go on to victory, and should finish strongly in the league.

The Panthers play in a tough league this year meeting the following schools: Shafter, Wasco, Garces, Corlinga, Garces, and South High.

Other schools played are: Hanford, Mt. Whitney, Tolare, Redwood and Porterville.

The Junior Varsity, to date, have a record of one win out of two league games.

Prospects for the season looked good as the J.V.'s put a lot of work into "keying up" for future games. Coach Juarez expressed hopes for a successful season.

Next year, the team should be much stronger as all the lettermen return with the exception of senior, Reed Enos.

Track

The out look on the remaining portion of the track season is very favorable. In the first meet the team took second, in the second, they took fourth, and in the third they took a first place, so they are progressing slowly toward a favorable outcome.

Although, the competition has and will increase throughout the season, Coach Hailey feels that the team will be up for any opponent as long as the attitude of the participants, at the present time, doesn't change. Due to a desirable attitude, cooperation, and hard work; the CUHS track team should be successful this season.

Jr.-Sr. Play

"I Was A Teen-Age Dracula," by Gene Donovan, takes place in Park Cedars, a country home in a small town.

The plot centers around the main characters, Uncle Clyde, (Delbert Corley) Steve Dracca, (Gary McGowan) and Sue, (Janice Rambo).

Uncle Clyde, trustee of Steve's money, tries to gain control of Steve's wealth by proving him crazy.

The teenagers in the household have the idea that Steve is Dracula because of two missing people having scratches on their neck when found.

The play ends with Steve triumphant and Uncle Clyde being taken into custody for his evil ways.

"MOMENTS TO REMEMBER"

In the following pages you will find a pictorial summary of school--your "Moments to Remember."

The Harvester staff feels that these were the moments that you remember most--Dances, the Science Fair, C.S.F. Day, the Junior-Senior Play, assemblies and everyday shots around the campus.

This is your book, and the staff sincerely hopes that you will keep it and its "Moments to Remember" for many years to come.

A stroll between classes is so invigorating.

Leroy Jeffries, Pat Barnhart, Carole Wilson, and Ginger Chappel "ham it up."

A chance to relax between classes.

...Remember? The satisfaction of hearing the band play the victory song--the feeling of pride for their half time shows--the unseen, endless rehearsals--the anticipation in looking forward to the completion of another school year--for some, becoming a senior, for others graduation and a new future.

These are our "Moments to Remember."
